

An event planning and production company in Dubai that offers a wide range of full-service event planning. From beautiful ideas to perfectly executed plans paired with proficient and well-trained event specialists, we ensure you a top-quality service and top-notch event experience. Based in Dubai, Eventland is an event planning and production company operating since 2010. We started planning simple children's birthday parties and we eventually transformed into planning several celebrations, corporate events, exhibitions and other events.

All through the years, we have coordinated all type of events including weddings not just only in Dubai but also including destination weddings. We consider every event as special and we believe that it needs extraordinary celebration. For eight years, with our brilliant creative thinking and a proficient team, we are able to plan and produce spectacular and memorable events.

The Creative Team & The Planning Process

We have worked closely with clients to provide the perfect mixture of breathtaking event design, logistics planning and execution, individualized client services, including wedding design and other event planning.

Our goal is to transform every client's personal aesthetic into sophisticated events which brings a level of art to each facet of design and execution.

With a highly selected creative team, we transform personal and corporate brands into memorable experiences for clients and guests alike, orchestrating every detail with precision and grace.

Wedding

Marriage is the combination of two hearts and souls and that's why we are here; to let you have the most extraordinary and memorable day of your life.

Our goal is to make your day more special, unique, magnificent and stress-free so you can remember every moment of it. We will be with you all the way and arrange every single detail that you wish for. From choosing and deciding on a perfect venue, flower decoration, stage design, light decoration, music band, wedding ceremony, video and photography and so on.

In addition, our sister company, Lana Wedding Planner, will be with us during this journey too. We will work hand in hand to make all your dream wedding a reality.

To start, you just have to fill our inquiry form, send us an email or give us a call to tell us the main points of your wedding and leave everything to our team of experts.
