Why Eva Gems ?

EXPECT LOWER MARKUPS

20%-40% LESS THAN TRADITIONAL JEWELLERS We don't hold expensive inventory and operate only small, efficient showrooms. That means our overhead is lower than traditional jewelers and we pass the savings on to you.

DISRUPTIVE BUSINESS MODEL

For example, a traditional jeweler may buy a diamond for \$1,000 and sell it for \$2,000. With our business model, we may buy that diamond for \$1,000 and sell it for \$1,200.

Why Eva Gems?

Following are the significant points will let you think about our name

- (1) Inspecting large number of diamonds before selecting one
- (2) Our expert guidance in selection
- (3) Sharing Certificate, Videos& Images
- (4) Our inspection will help you to select precise quality

Let's Calculate the Benefit

For Example: You have the budget of 5000\$ and are going to save 15%, it will be 750\$.Worth a deal, isn't It.
